

BLHC PPS DSRIP Final Application Submitted!

Final BLHC PPS DSRIP Application will be posted on website for viewing

On December 22, 2014 at 4:00 pm, the BLHC PPS DSRIP Team has confirmed submission of the full DSRIP application to the state! This work was completed by the Harbage Team, with Sam Shutman and Virgilina Gonzalez.

Now that this application has been submitted, we are focusing on the next steps of the DSRIP project including the Capital Restructuring Financing Program and Implementation. We will be uploading the final full DSRIP application onto the www.blhcpps.org website by tomorrow afternoon for public view.

Thank you to everyone who participated in making this happen!
